“ *Dear Audrey & Family.  
We were so sorry to hear of your Mother's passing. She was such a caring and wonderful person. I have so many good memories of when you all used to come and see Uncle John. We would play together for hours. She was so much like her father. She is in a better place today. All of you are in our thoughts and pr5ayers.*

“ Dear Audrey,  
*I was so blessed to have grown up knowing and loving Aunt Willie. Some of my favorite things about her included her wonderful sense of humor, her unique manner of speaking and how very kind she was to me (as a child and as an adult). She loved you and her family so much. I know there will be an empty place there now. I pray that the Lord will surround you with His peace and love - and that you can find comfort in knowing you'll be with her again someday. I love you very much...Jessica##imported-begin##Jessica McMinn Nuzzo##imported-end##*

“ Audrey:  
*I am so very sorry to hear of Aunt Willie's passing, but know that she is in a more peaceful place. And while I grieve her passing, I am warmed by memories of the lunches she made me, the nativity scene she made for us, and the stories she would always tell about me. She truly was a wonderful woman and a dear aunt. Please know that you are close in heart to me in the difficult times ahead.*

*Love you,
