“ I met Mrs Hamby when I was 11 years old. I was fortunate enough to be good friends with her daughter Beth, through middle school and high school and after. Mrs Hamby was was the very definition of good and loyal. She loved her husband and her children fiercely. Thinking back, she always seemed to be glowing. She was the reason I started going to church. She wasn’t just someone that I happened to know from the past. She helped move me in a better direction. I loved her very much. She will always be one of the most influential people from my childhood. She set an amazing example of what we should all strive to begood.....patient.....kind..... loving.....loyal.....I could go on. I am praying so hard for your whole family. To Beff and Cristen and Mr Hamby, I am so sorry for your incredible loss. The world lost one of the absolute best. However, Heaven gained another angel. I love you all, Sincerely.
