“ *Kenneth, Marcia, and family,
I enjoyed all the times I was able to spend with Wilma at the family reunions. She was so caring and I will always remember her smile. I know the heartbreak you feel and the void that will always be there, but I have also learned that remembering her life and all the joy she brought to you and her family will always live within your hearts. You were blessed with her for 78 years. May God give you strength today and each day to remember the love she left for each of you.
