“ It is hard to know my Aunt Wilma is gone from this earth. I have many fond memories both from my childhood and later. Aunt Wilma seemed to always roll with the punches that life threw, big or small. One thing I will never forget is tasting her spaghetti sauce when I was about 9 years old, and thinking it was about the best thing I ever had. Even now, 40 years later, every time I make it, I feel like I am trying to duplicate that taste. I always loved the way she loved her critters. She fought the good fight and leaves us here to follow, one by one. I'm so sorry. Lisa and Debbie, don't ever forget how priviledged you were to have your mama by your side for all these years. I know you will miss her beyond words, but I pray you'll soon feel God's love and peace.

Love,

“ Dear Lisa, Debbie & Lewis,
I just wanted to say that I love you all and you are very dear to me. My prayers are with you during your time of loss of Wilma. When I saw you it was like the years apart just faded away. I just wish I had gotten to speak with her too. May God bless each of you and every member of your family. God will give you strength from day to day.

“ We share your grief due to your great loss. Please know that we will continue to ask God's loving arms to support and comfort all of you during these difficult days.

We believe God's open arms greeted her as she left us. I'm sure she would not have you grieve too much. She had a good life and she loved her family. Now she is pain free!

We appreciate all you have meant to our daughter, Robin. We feel we have lost a member of our family.

Love to you all and may God Bless You.
