“ *Some time has passed now and I still miss papa so much. I miss his laughter and everything he was. I wish I could give him a hug and hear just one more story but I'll see him in my dreams. He's out there somewhere , I know it. Let us not mourn, but rejoice, for he is in heaven where he is safe.##imported-begin##Arieal Santoro##imported-end##*

“ May God bless you all at this difficult time as I well know the feelings of emptiness and loss. Now is the time to reflect and be thankful we have what we do when we do and I know you all understand. Try to think of the good times and maybe a warm feeling will come over you. Joel and I will not be able to make it to the services so we want to be certain you know that your family is in our thoughts and prayers at this time.
