“ Aunt Non will be so terribly missed. I have such wonderful memories of her. She was always so spunky. Everyone says that I am just like that. She has three wonderful sons and so do I. She loved all of her friends and family from the bottom of her heart and so do I. It seems that I have a lot in common with her life and that makes me very proud.

I love you James. Michael and Keith and I want you each to know that we are all here for you. Family is the most important asset that the Lord can bless us with. We need to all remember that, and spend as much time together as He allows us.

*You are in our thoughts and prayers.
