“ I didn't know Yvonne personally, but I knew Jerry from Jr. High through high school. They must have been an amazing couple. Jerry was a gentle and kind spirit and I'm sure he chose to spend his life with Yvonne because he saw those same qualities in her. Rest assured JJ and Melanie, even though your hearts are breaking and your world has fallen down around you, your parents are happy and healthy again. They want you both to be happy. Move forward in life for the sake of your children, celebrate the holidays and talk about all the holidays of the past. It will help you heal. God bless you and comfort you both as well as the entire family.
