“ *Zachary B. Loftis literally where do you even start with this name. I don't think I've ever met anyone with such lovely energy and selflessness. It was always others before himself. Whether it was physical or emotional guidance or just help in general he didn't hesitate. We love you brother. You were everything to us, We'll miss you.*

“ Zach was one of the sweetest most genuine people I knew. Always looking out for his friends. I only had the honor of knowing him 3 years. But I treasure my time with him. He played drums in our band, And was hella talented. He knew his homies loved him we all made it a habit to always say I love you homie. Thank you for everything you brought into my life. As the friend group dad I wish I could have did something. I miss you and hope we kick it again someday. Our beach trip will always hold a special place in my heart. RIP King!

“ Zach was one of the best friends i could ever ask for to hanging out with him in his room to seeing him at events. We would have the most fun every time we saw each other anywhere we went. I can't explain how much I'm going to miss him but I know he will always be looking over me. I also give love to all the family members of my best friend Zach.

“ Jana and family this breaks my heart. Although I haven't seen Zach in a few years I knew him when he was younger and kept up with how he was doing through Jana, who loved him endlessly. They had an amazing relationship and everything written is true! He was a very kind creative guy and always had a smile. I will be sending loving thoughts and prayers for you all.

“ *Man I have too many good memories with cuzzo to even know where to start. The obituary doesn't even start to tell the story of his life and what he meant to others. My cousin was absolutely fearless and lived life to the fullest. Always had some dumb jokes to tell and was always someone I could talk to about anything. He was supposed to be the best man at my wedding. But me and him could make jokes about anything. Calling him my cousin isn't even right, that was my brother no matter what anyone says. I love you Zach..*
